presto gets you exam ready

IELTS has four English skills components, of which Reading Comprehension is one key test.

Writing and Comprehension exams cause students a lot of angst. Failure in any one will drag down your overall score. Comprehension is a metacognitive skill needing an understanding of both the range of language used and the meaning the words carry.

IELTS reading comprehension

Presto has a comprehensive range of reading comprehension activities. Reading comprehension is a core skill that needs practice and revision across a wide range of texts and dialogues.

Presto accompanies your reading comprehension practice with a wide range of engaging examples.

1. Read a varied range of texts and answer a variety of question types.
2. All activities auto-score and can be done over and over.
