What people are saying

Listening and interpreting is really hard depending on the text. Practice in Presto is great – I do it on the bus.

JimmyHong Kong

My comprehension has improved with Presto guiding me.

SerifUAE

Presto listening is great on my new phone. I can practice anywhere.

JackMexico

presto gets you exam ready

IELTS has four English skills components, of which Listening Comprehension is one key test.

Writing and Listening Comprehension exams cause students a lot of angst. Failure in any one will drag down your overall score.

IELTS listening

Presto Listening is a comprehensive AI-driven assessment capability supported by a comprehensive library of IELTS listening comprehension tasks.

Listening comprehension is a core skill that needs practice and revision across a wide range of conversations and dialogue.

Presto accompanies your listening comprehension practice with a wide range of engaging examples.

- Listen to all types of vocal exchanges and answer a varied range of questions.
- All activities auto score and can be done over and over.
